Ian,

Can you kindly explain how it is possible for Maureen to sell shares in an entity that does not exist?

This is a sophisticated form of financial innovation that I would love to learn more about, and I am sure Nick Kaiser would :

Baby,

I can only give you so many warnings before you invitation to make our "URBAN RESORT" & "Entertainment Complex"

Tonight I looked for a master key to the nightclub so I could get in at midnight to meet the SLA inspector and the front de violation to my DEMAND a month ago that the front desk have under lock & key a set of keys to MY nightclub. Deliver

We have been asking for a month to get back to the master key for the hotel and you have failed to return it and I know : says you have it and I'm sick of the bullshit. Again you have till 5 PM to return the key or you will be escorted off my prop

It was very scary to have an SLA inspector on the property tonight. I will say that you did a very good job schmoozing h watching us and you must must must play by the rules going forward. That means every single rule..., I will leave it to P:

I was happy to hear there is no 50 Cent party this weekend and that you confirmed with me three times there will be no | and if you do any parties you will be escorted off my property.

I will again remind you that any any events or parties in the entertainment complex have to be approved by Paul Brown

I was very disappointed and shocked to hear that you sold a 7.5% stake in MY "Entertainment Complex" without my kn 20% or you can attempt to negotiate that percentage lower with your 2 investors.

Note that you sold equity at a \$2 million evaluation while we hope to get Bennett Lebow's son to buy in at a \$10 to \$12 1 And you did it without my involvement is disgraceful and in violation of your fiduciary responsibility and probably an illeg:

I look forward to seeing you at 6:30 PM to resolve so many outstanding issues!!
